Explanation: \_\_\_\_\_

Plaintiff's second amended complaint, like the amended complaint, alleges no discernible claim for relief. The second amended complaint only generally mentions "D.H.H.S. and C.P.S. here in Sacramento, California[,] " which the court presumes is a reference to Sacramento County's Department of Health and Human Services and Child Protective Services, but attributes no particular conduct to those agencies. Nor does the second amended complaint attribute any specific acts to the state government agencies in Arkansas that it apparently refers to, or contain any factual allegations giving rise to federal jurisdiction.
